

# THE ALBANY PARKING AUTHORITY IS READY TO PARTNER WITH YOUR BUSINESS

You can now be added to our attraction list, have customers identify your business, learn more about your services, and locate the most convenient parking!

You will have exposure to our current customers and have your business advertised by us!

The APA will also custom-build a link for your website to identify all of the parking availabilities including garages (A-B-C), Quackenbush lot (L) and parking meters within several blocks of your location.

Our Quackenbush lot also offers free parking up to 5 times per month using the CDTA swiper pass. Thanks to the APA, parking becomes just that easy!
